

Our Lady of Fatima

Catholic Primary School

Whole School Well-Being

Whole-School Well-being is a key focus at Our Lady of Fatima Catholic Primary School; underpinned by our Mission statement & School Goals.

With the student at the centre of our policy, an emphasis on well-being encourages each individual to be socially and emotionally well-developed. This balance between academic and social needs enables them to learn and take risks throughout all phases of life. Celebrating diversity, inclusiveness and citizenship in the context of our school, we strive to provide opportunities for all students to succeed.

To be most effective, it is imperative for school well-being to implement a collaborative approach with parental, staff, student and wider community involvement.

Together we are a *faith, learning community*. Listed below is a series of programs highlighting key well-being offerings at Our Lady of Fatima Catholic Primary School.

<u>Faith</u>	<u>Learning</u>	<u>Community</u>
