# RULES

## GENERAL RULES

- ✎ 8 players per team on the field, Maximum of 10 Players per Team (2 non-Bowlers & 2 non-Batters).
- ✎ Teams must have 3 fielders each side of the wicket always. (excluding wicket keeper and bowler).
- ✎ All runs scored from byes are counted (including boundaries). Overthrows will NOT be counted!
- ✎ ALL Tee shots must be hit IN-FRONT of square

## BATTING RULES

- ✎ Batting pairs bat for two overs and remain batting regardless of how many times they are 'out'.
- ✎ Batters swap ends at the end of each over OR when dismissed (Ideally each batter will face 6 balls each).
- ✎ The bowling team receives 5 bonus runs for every dismissal/wicket.
- ✎ If a batter swings and misses two consecutive fair deliveries, they hit off the tee and change ends. No runs or wickets are counted for this shot. (This tee shot counts as the second consecutive ball faced, they then rotate off strike.)

## FREE HIT

- ✎ A FREE HIT off the tee is given if a no-ball or wide is bowled.
- ✎ Players DO NOT have to run on a free hit.
- ✎ The batting team receives two bonus runs PLUS any runs from the 'free hit' off the tee.
- ✎ If a player scores runs from the actual no-ball or wide, these are also counted. (e.g. if a no ball is hit for 6 or if a wide is bowled, the keeper misses it and the batters run. A ball can NOT be deemed a wide if the batter hits it or the ball hits any part of their body!)

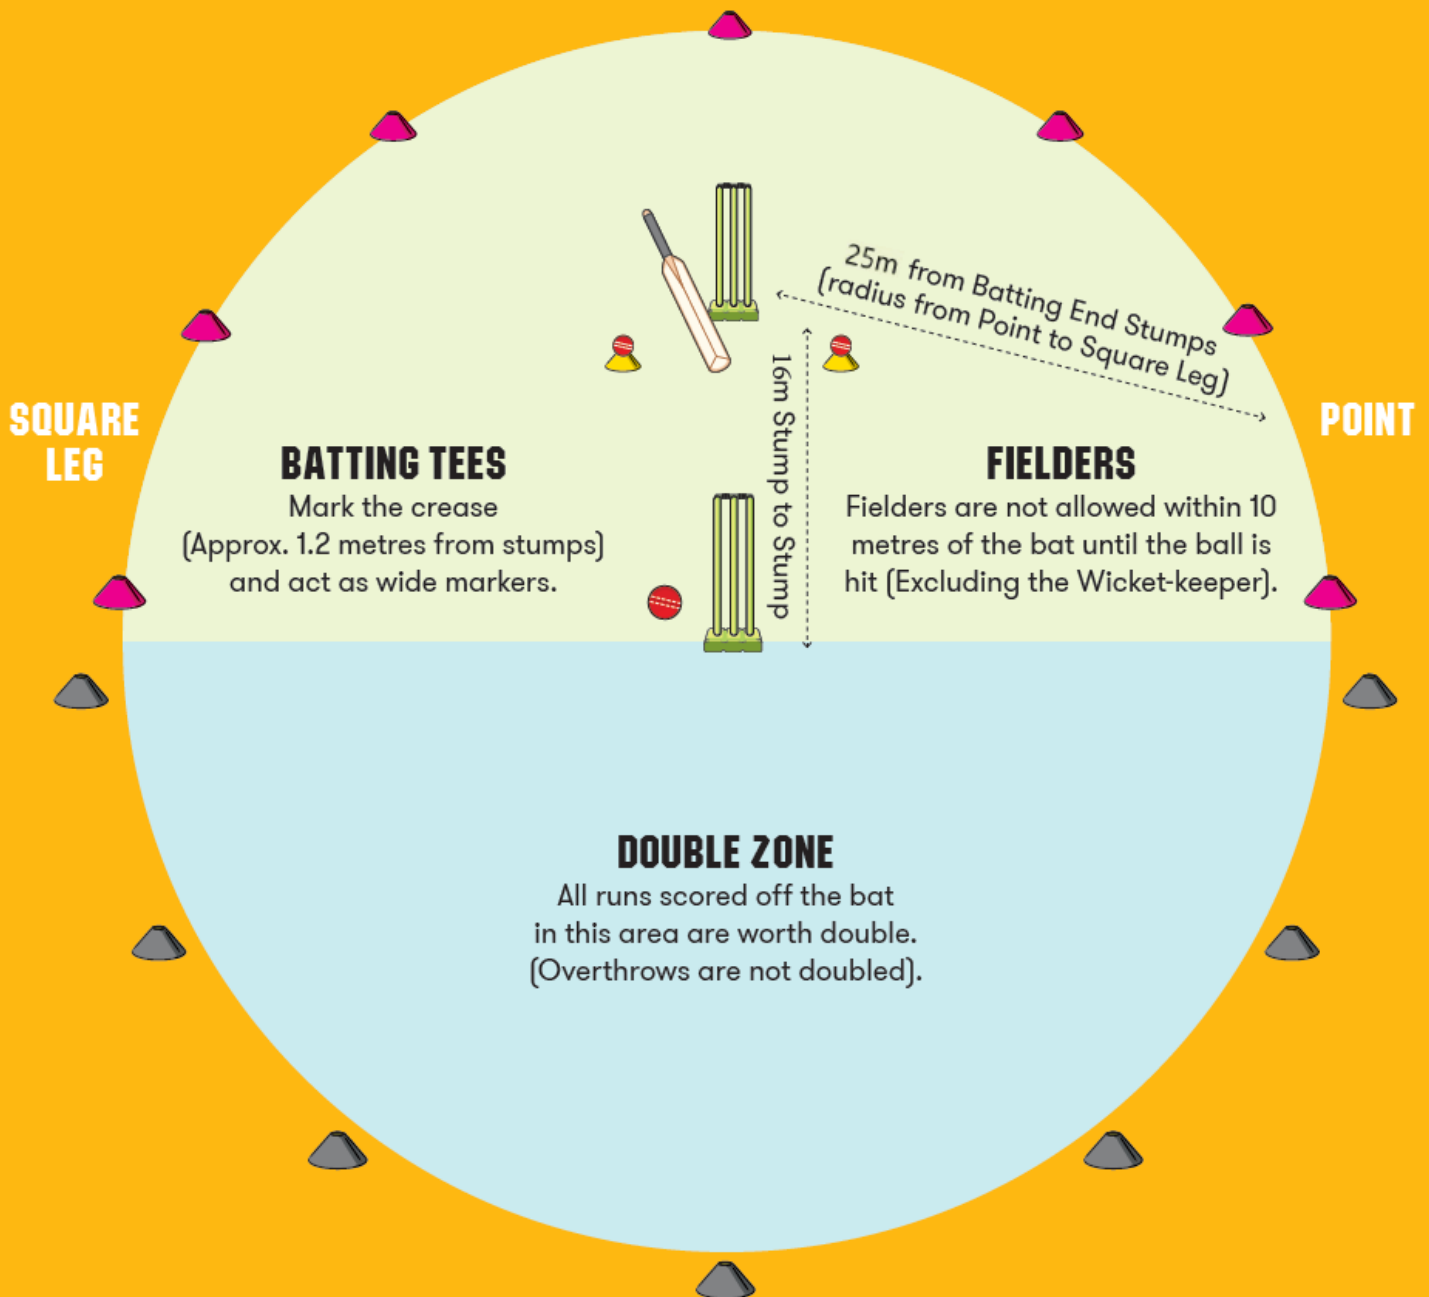

## BOWLING RULES

- ✎ Eight players must bowl one over each.
- ✎ All overs are bowled from the same end.
- ✎ There is a maximum of six deliveries in each over. Wides and no-balls are NOT re-bowled!

## DOUBLE ZONE

- ✎ All runs scored from balls HIT into the Double Zone are doubled.
- ✎ The Double Zone is the area behind the bowler's end stumps (see Field Setup next page).
- ✎ No more than 3 players can field in the double zone at the time of delivery.

# WOOLWORTHS CRICKET BLAST SCHOOL CUP GROUND SETUP

For Secondary School Cups, the recommended pitch length is 18 metres, with boundaries of 35 metres.

## SCORESHEET EXAMPLE

*[For this format, please ignore the 'Over 3' and 'Over 4' columns]*

1. Enter Batter's names under designated Batting Pair.
2. Enter Bowler's name near the Over number bowled in the light blue box.
3. Mark the runs scored with a number, next to the Batter's name for the relevant ball in each Over.
4. Mark any Wickets (Wkts) with a W.
5. Mark any Wides or No Balls as two runs and draw a circle around it.
6. Mark any balls from which there is no score with a dot.
7. Make sure all six boxes are filled for each Over.
8. Once the Batting Pair has completed their **two** Overs (reminder to ignore the 'Over 3' and 'Over 4' columns), tally the Total Wickets (Wkts) and Runs for each Batter. Then combine the two to calculate the Pair Total and Team Running Score.
9. For Batting Pairs 2-4, ensure you are calculating the Team Running Score by adding the previous Batters' scores to the current Batters' scores.
10. Once all Batting Pairs have batted, complete Team Total.
11. The loss of a Wicket results in 5 Bonus Runs to the opposition. At the completion of the innings, multiply the total of wickets lost by five and put this in the Bonus Runs Awarded to Opposition box.

**NOTE:** If this team is the first to Bat, leave the Bonus Runs Received from Opposition and Grand Total boxes empty. They will be completed upon the conclusion of the second team's innings.
